I love and miss you Grandma more than you know. I wish I could have met all your loved ones but to read their posts brings joy to my heart. Not a day goes by that I don't think about you

To the Akins family, Sorry to learn of Kay's death. Kay had a twinkle in her eyes and a smile on her face during high school. We are thinking of you, the family, during this difficult time. Jurhee Curtis SOC '59.

I can't remember exactly when Kay and I became friends, probably at Boude Storey since I went to Clinton P. Russell in elementary school. But I know we were friends throughout our years at South Oak Cliff High School. And I remember her "little brother" Rusty. Kay and I reconnected at the SOC 30th reunion. In recent years, after she moved with Kelly to Denton, we emailed often and got together with other friends from Wesley Methodist Church. She was a wonderful, sweet person and I was shocked at the news of her death. I wish for Kelly and Rusty lots of happy memories with her.

I also went from Trinity Heights, Boude Storey Jr. High and South Oak Cliff High Schoo with Kay. I can remember her vividly in Miss Woods first grade class. We were both scared to death of her! Kay was a great person and I wish we could have kept in closer touch.

I went all the way through school with Kay. We attended Trinity Heights Elementary, Boude Storey Junior High, and South Oak Cliff High together. We did not keep up regularly with one another through the years, but I have good memories of our early years in school. I appreciate the way Kay always made sure that I correct contact information for her. She will be missed.

Although Kay and I went to SOC together we didn't really become acquainted until the 30th reunion.
After, we emailed for 25 years almost every day. Often several time each day. Her great wit and wisdom were just part of what made her such an extraordinarily special person.
I shall miss her always.

I got to know Kay at Wesley Methodist Church. She was a couple of years older than me, but I remember her so well from the church youth plays that were directed by George Brewer. She was always so friendly and full of life. I was very saddened to hear about her death. Blessings to her family. Kay Genseke Rhoads
