“ I shared the happiest times of my life with Beverly, as kids in the Florida keys. Her sister Judy and bev and I would swim and fish and stay up late looking at the star filled sky. I know you are a part of that now my sweet funny friend Beverly. Will think of you always, Debby Mullen Krengel

“ Bev was such a wonderful person. I enjoyed getting to know her over the years. She was always thoughtful and asked about my boys. My younger son and I would always see Bev at a certain store. On the occasion that we did not see her there, my son would be on the lookout for her. I always shared those stories with Bev and she always got a good laugh. Bev loved her family. My thoughts and prayers are with you. I am sorry for your loss.

“ Bev worked with my mother, Donna Geither, at the bank. She was a good friend of my mother. She often spoke of her kindly. I know her as a kind woman and crafty. Condolences to her family.

“ My heartfelt sympathy goes out to the Musil family.

I will miss you Bev. We had some good times working at Sally's Beauty Systems Group in Ohio figuring out accounts, laughing at stupid mistakes and generally doing our jobs in the most efficient, accurate way possible. But besides all that we were wonderful friends as well. I remember the times we ate lunches together at Bob Evans everyday and talking about everything and anything, Thanks for being in my life and sharing those crazy wonderful times. Because of you I am a better person. I salute you for being adventurous(trade shows),intellectual(anything one needed Bev knew it),funny(seeing the humor in everything) and loving(had a hug for everyone). Thanks for being my dear buddy. I will never forget you.

“ Bev was always very kind to me as a teenager and treated me like a younger sister. We enjoyed a lot of laughter in the "old" days. Wishing nothing but happy memories.
