“ Cindy was such an inspiration to me as a child and her inspiration has carried through to my adulthood. She was 6 years older than me and when I was new to town and the neighborhood, she was so kind and welcoming to me. She will always have a very special place in my heart. Rest in Peace dear Cindy! LuAnn (McClelland) Parker

“ Cynthia was a very kind and caring soul. I have known her for 20 years, and she was always looking for ways to help others, whether that was organizing an event, creating costumes, designing landscaping layouts in order to help beautify the world, or just being an understanding voice on the phone.

I am terribly saddened to hear of her passing, but know that she is in a much happier place. Regardless of what was going on around her, she kept a strong faith in our Lord and I know that she is with Him now.

God Bless her family and anyone who knew her and feel the pain of this loss.

I will miss you very much my friend...

“ While reading the "West Central Tribune," I was saddened to read of Cynthia's passing. She went to Willmar Community College when I studied there in the late 1970s but I got to know her better when we transferred to Mankato State. She seemed to be always upbeat and had a great sense of humor, just like her dad Roy, one of the many excellent instructors/coaches who made WCC such a great place to study and grow. Cynthia may be gone, but I suspect the world is a better place for her having been here. Please accept my regards to family and friends!

“ I have just read about Cynthia's passing in the recent issue of "Today", the alumni publication from Mankato State. My condolences to family. She was one of the bright points in the theatre department; always upbeat and good for a laugh, and certainly a very talented costume designer.
