“ I am so sorry for your loss, lee was my cribbage and domino partner and my daughters fishing buddy. We use to play way into the night sometimes. My daughter Brandi made him a cup of instant coffee you could stand a spoon up in, her first, she was so proud but when she wasnt looking he dumped it. We laughed for a long time. One new years we played cribbage by candle light cause the power went out and i won with 3 aces we would talk about it offen. He will be truly missed. May god bless and comfort you. Linda and Brandi, mt pleasant, utah and now tehachapi ca.

WE

Gayle and family; Jan & I just want to let you know that we are lifting you up in prayer during this time of personal loss. I have very fond memories of Lee. We ushered together in the same section at Prestonwood Baptist Church. This past Sunday I left his usual seat that he sat in empty in his honor. Just know that you are loved, and you will be in our thoughts and prayers. Let us know if there is anything we can do for you. Love, Wesley and Jan.

“ Lee Morrill was a giant man in his faith of the LORD Jesus Christ. He continued to serve the LORD even in his mid-80s. This man had an amazing love for ALL people. He loved sharing stories from pictures he had on his smart phone. He made me smile or laugh each and every time I spent time with him. I will miss Lee but know I will see him again some day!
