“ J.W. Was a guy always willing to share his opinion and showed us the little train he used when playing Mexican Train. A really good guy. Was sorry to see him leave the MVH.

“ J.W. continued to touch lives when he lived at the MVH. He attended exercise class each day...loved Bingo and kept a watchful eye on his sister, Mattie. They had some super times together here. He kept everyone laughing and was a delight to be around. Prayers for the family at this time.
