“ Bill and I fondly remember times we shared with this sweet lady and her family. The beauty of her life is reflected in the lives of her wonderful children and grandchildren. David, Nita and their children are a precious part of our lives. May God bless and comfort you all. We know she is happy and at peace with her Savior as well as all who have been waiting for her to join them. What a reunion she's enjoying !

With love always,
The Silbers
