“ I went to Stockard with Terry, and in the 8th and 9th grade we were all learning to dance. Stockard frequently held dances for the students, and Terry and I would whirl around the dance floor. He had a strong lead and was a delightful partner. He was always a gentleman and fun friend. We lost contact in later years, and I regret not knowing him as an adult. He had a smile and kind word for all even at the middle school level. You were blessed to have had him in your life and know you have many happy memories. I am saddened to learn of his passing. Sincerely, Mary Ann Isom Franzke
