“ To the family of Bill Larrabbe,

Im so sorry for your loss.

I graduated from high school with Bill. We stood next to each other during graduation. Him being Larrabbe and me being Laskey.

I didn't know Bill all that well but I remember hanging out with him in Disneyland on grad night. He has been one of the few people from high school that has really stood out in my mind. He made quite an impression in that short amount of time. For years I had been asking people who we graduated with if they knew what happened to him. No one seemed to know where he went or what he did after graduation. Im sorry I never had another chance to talk with him. I wish that I would have had an opportunity to get to know him better.

It breaks my heart to hear of him passing. I can only imagine what all of you must be going through. My thoughts and prayers are with all of you.

Deepest regards,

In a state of shock!

Bill and his family were my second family growing up. My heart goes out to them. Good people are not around long enough. From what I remember about Bill he lived life on his terms and I admired that quality. We had a blast together growing up in Ridgecrest. What a good baseball player who could really hit. So many memories. Rest in peace my brother Bill and God Bless.
