Andy Ward Reed, 79 of Denton, Texas gained his Heavenly home on Monday, April 8, 2019. God will be at the Heaven's door waiting for Andy. We always knew God would have a special place for His child.

Andy was born on January 16, 1940, in Pampa, Texas to Daniel and Beulah Owens Reed. Andy loved older model cars and pickups. Especially his brother Jess's model T and red motorcycle. He always enjoyed our family gatherings. After moving to Denton, Andy looked forward to eating out with his little sis, Helen on a weekly basis. Dad and Mom would be so proud of the way that Andy was taken care of by his family. Each one helped in their own sweet ways.

Andy was preceded in death by his parents, brothers James Reed and Charles Reed. Andy lived most of his life in Pampa, Texas until it was necessary to find him a special home where he could receive the medical care he needed . He moved into a foster home for people with special needs and lived there until his death....
