Cyndi...she is singing, and definitely humming! When we would visit and play board games, she would always be humming, and it was so sweet sounding!!

“ Barbara was a very special and important person in our fellowship for over ten years. Since my father-in-law started living with us, I loved how she would go up to him and talk to him and he'd usually cry since he'd remember my mother-in-law who died two years ago but I'd notice he'd feel better afterwards. So it's okay to cry. May all of you family members be comforted during this difficult time by knowing she is with the Lord.

“ *I am so sorry to hear about the loss of your precious mom. I worked briefly at Bent Tree with her, and we would go to lunch on occasion together, Applebee's usually. :) She mostly spoke about you, her family, and she loved you all dearly. I am hoping you will find comfort during this difficult time as you reflect on her life. Please know you are being lifted up in prayer.*
