“ Aunt Bertie was a precious, wonderful woman with a heart as big as Texas! I remember when Doug and I married how she welcomed me into the family with a big ole wide armed hug and a pinch on the cheek! She was the only one who knew and could tell me "pickin cotton" stories on my daddy with her unmatched style of boisterous humor and in vivid detail! Seems she could ALWAYS out-pick my daddy by a mile!!! I loved her dearly and so much miss those days when the family would all get together. Wish we could go back and have just one more of those good times!

Dale, Donna, Travis, and Hannah and children -- how blessed you all are to have had her in your lives. They don't make them like her anymore. And how blessed you are to know without a doubt that she is in heaven right now, pinching babies cheeks, and waiting and longing for you all to meet her there someday. May that blessed hope carry your hearts through this time of loss and heartbreak. May you have the Lord's blessed comfort in your hearts knowing one day you will all be together again.

“ I love Aunt Bertie. I remember growing up and loved when all of the Baker bunch would get together at our house, Riverside Park or At Granny and Aunt Maudie's and Aunt Bertie was always the comical one telling jokes and telling funny stories or picking on you, pinching you or hugging you real hard. I miss these times and will deeply miss our Aunt Bertie.
