HW

“ I haven't seen the man maybe twice in the last 7-8 years. But I remember the days when we were kids and almost inseperable, spending night and day playing video games at his parents house, fishing at Marshall creek, riding motorcycles, and running from the judge on his go-cart. Jan always covered for us. Makes me wish I had hung out with him more in the rough years. Henry

Henry Williams - November 03, 2017 at 01:22 PM

Thank you man
