“ I have so many sweet and funny memories of Mrs. Dorothy in the short time she lived with us at Willow Bend.
My favorite is the one when she would go out and smoke regardless of the weather.
One day she was going out and my Dad saw her outside with a coat on, he walked out and ask if she was ok...she said "I just can't get warm" he took his own coat off and gave it to her and said " I know this is way to big but when you go out to smoke you can wrap yourself up in it to stay warm" she wore that coat every time she went out afterwards.. I am sure Mrs. Dorothy and my Dad are sharing jokes in heaven..
We at Willow Bend will miss her terribly but we will continue to love and care for the love of her life...Mr. John
Thank you to the family for sharing her with us.
Love Debbie & your Willow Bend Family

And thank you and all of the Willow Bend staff for such kind and tender care that you gave her and continue to give our father.
