“ *I had the privilege of knowing Fred for many years, some of which we worked together. He was a tireless worker and always fun to be around. I have many wonderful memories of him. We are all better to have known him. He will be missed but the houses and other construction projects he worked on are evidence of his mark on Denton. Rest in peace Fred.*

I'm sending out Thank You cards today, but I don't have everyone's mailing address, and I know I'll forget someone, so I'd like to say it here: THANK YOU to everyone who has made this sad, stressful time, a little easier to bear. Your kind words and deeds did not go unnoticed. Sometimes there just aren't enough words to express our thoughts . . .
