“ So sorry for your loss, just happened to find this. Wished for a long life for him. Don't know what happened, he was so young. Know that he is at peace.

“ George was a client and a friend. We sold him his home. Darrin visited him last Summer , but we regret loosing touch with him these last few months. He went to church with us a few times. When we gave him a bible he was so thrilled. We are just so sad that we didn't spend more time with him. If we had known of his passing, we would have attended the service.
I pray God will give his parents peace and comfort. If his family reads this, please feel free to call or email us if there is anything we can do for you 972-345-6867 , homesandloans@gmail.com- Renee' McCurdy
