“ To all the family and friends reading this, i cannot even begin to tell you how thankful we are that you all are sending your love. We really need this and your support at this time. i first met jimbo when i started hanging around with my old friends and was actually at the hospital where i was going to see christina. to see so much love and worry and hope all in one person was just amazing. I fell in love with this family after already knowing them for years. me and jimbo were so close. we have done nothing but grown closer and closer as the years went by. me and jimbo were best friends. when he was over we did everything together even if it was just going to kroger for a few things and back. I will miss that old man more than i can ever say. i loved him so much! and i am sooo grateful for the time i got to spend with this amazing person!

“ That was my freebo man. His name for me was Bambi and he was the only one who could get away with calling me something like that. Lol He was one truly amazing person and I'm so fortunate to have got to know him. He will forever be missed deeply.

“ *My memory of Jim Are from birth to 5yrs in San Jose . I babysit the kids So Arvel and Loretta could work . He is my Nephew . A cute little guy.Running around the house by the fairground. playing or terrorizing his sisters .Coming to see Grandma at the Reed st house. Sticking his fingers in the Parrots cage and jumping back when the parrot squacked .
They moved to Texas when He was 5. I didn't see him again until he was a teenager , Cute with curly brown hair. .My visits were infrequent so the next time i saw him he was a Man at the Denton Flea market. , He married had children . That I heard about but never saw. Last lime i saw him was in sept . Would have loved to see him more. To all he touched as Family or friends. Peace be with you . He sees his Daddy again!!! love all
.Love You Aunt Lana Lane*

“ *I dont even know Jimmy but I have family that know snd loved him very much. As I read all the different post and memories of Jimmy I really got excited for Jimmy. The heart felt words that were spoken about him told me the most important thing about Jimmy. He loved Jesus so I know Jimmy is in Heaven . Absent from the body present with the Lord. To all the Millers and all there familys I pray for peace and understanding during there time in the valley. In Jesus mighty name.*

“ *Jimmy was the kindest and sweetest goofball I knew. He was always helping others anyway that he could. He always put his children, grandkids and family before himself. He was always making others laugh, and always laughing himself. He may be gone from this life, but most definitely will never be forgotten. Jimmy was more than an uncle and I will hold his memory in my heart forever. I love you Jimbo!!!*
