I'm Garrett. Your dad called me scooter boots. I think you talked to Josiah once. We were all close. I was his apprentice and friend for the last ten years and held his giant hand in the end. I don't know how much clarity you've had in this but i think I can help with that if you want. 940 231 8522.

“ My condolences to the Pond family. May the God of all comfort be with the family. There is a encouraging scripture found at Revelation 21:3-5 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

And the One seated on the throne said: “Look! I am making all things new.”
