“ I met Joe about 20 years ago at the bowling alley when we all bowled on the Peterbilt League. What amazed me about Joe beyond his dashing good looks and his ever-present smile and happy demeanor was how he bowled.....he took his sweet time getting that ball down the lane and never, ever got into a hurry, lol! Being in a hurry bowling against Joe and Toy didn't work....we bowled on their time and thankfully they were a fun team to bowl against :-) I didn't realize until much later exactly how large his family is! Seems like everyone in this town is somehow related to Joe! We will miss this gentle giant but this photo of him is spot on....that's the Joe we will always remember. That never ending smile is his gift to us :-)
