“ John was funny,courteous,and a helpful friend. I knew John back in the Kimball high school days and we both attended SFA. I think his best friend in high school was Skip Freeman .John was so easy to be around he always had a great sense of humor,never mad or ungrateful ,just rolling with the punches in his own way.Have not visited with John since college but i do know he will be deeply missed.

“ John was, simply put, just the nicest and most pleasant guy to be around and of course be friends with. He always had that great attitude that was always followed by a chuckle. He took everything in stride. even cancer. Loved his family and his friends. He will be missed. I know he has had a tough journey these past few years, but he didn't complain, just marched on. God Speed John.....

I only met John a few times, but he was the sweetest funniest guy ever. He loved Kathy with all his heart, so that was good for me. He is in a better place now and will be missed.
Peace and love to the family.

John and I were brother-in-laws for 23 years. Guess we probably still are as i didn't divorce John. One of the finest men I have ever known. He introduced me to the music of Willie Nelson many years ago. I will forever be grateful. One of the coolest, calm and collected guys I have ever known. Got to visit with John last year. So glad I did. You would have never known the battle he was fighting. He was always the same. Love you John until we meet again.

I only got to meet John in person a few times but loved his posts on Facebook and he loved my friend Kathy with all his heart...that was obvious meeting him. A kind, sweet man. You will be missed. Praying for Kathy and the rest of your family John. Rest in Peace!
