“ *My dearest Tammy, Gary and family. I have had the pleasure of knowing your grand dad at Autumn Oaks. I was blessed to be able to serve him communion of our Lord each month. I had no idea of the family ties to you. We enjoyed talking to him and getting hugs. I lead the singing and he always gave his best. I loved his smile as I would encourage him to sing louder. I will miss him. You are all in my prayers and in my heart. Patricia Nelson Gilchrist

“ We became neighbors of Johnnie and Alice in May of 1990. After Alice passed, Johnnie quit traveling and stayed at home. I became a stay at home mom starting in 1994. Since we were basically the only adults on the street during the day, we became fast friends. My kids loved breaking away to go see Johnnie on their own or to join him on his afternoon walks. We are blessed to live on such a close-knit street. Every year, whether it be a birthday or a holiday or a cook out, we shared them all. Cheryl and Richard McClain had the annual Halloween parties. Johnnie has been dressed as a woman, a pimp, a clown, a pirate, and Hugh Hefner to name a few! He was always up for having a good time. In years past we shared many Friday nights at the local VFW for steak night and dancing. Our neighbors and his family shared his 89th birthday at the Lewisville VFW and then his 90th birthday at the Lake Dallas VFW. I will always cherish the afternoons we have spent together just talking and drinking a cold beer or two. We still enjoyed the same visits even when he went to live at Autumn Oaks. When friends asked Johnnie if he had any girlfriends at his new home, he always answered, "No, they were too damn old!" Johnnie loved all the young women that worked there though!

I will miss this man more than I can put into words. He lived life to the fullest for over 94 years and for that I am grateful. Johnnie I'll make you another whiskey with a splash of water. I love you dear friend.
