“ I knew Kevin from the Otis Montrose years and was occasionally a babysitter to Kyle. I had an opportunity to catch up with him in Dallas about 12 years ago and returned a few years later and spent a couple of days with Kevin and Mary. We kept in touch but in typical Kevin style he filled my Inbox with joke emails and only occasionally with anything directly from him. So sad to know he's gone.

“ Your humor will be missed. I am sorry I was not able to get back out and cut Kevin's hair. I had a hip replacement and i was just cleared to go when i got the news. I feel blessed that i got the chance to meet him.
