“ Kristin was a childhood friend, younger than me. Her brother Jeffrey and I were best friends. Jeff & Kristin would visit their grandmother Thelma who lived across the street from me on weekends. I have known Kristin probably since she was still in diapers! We lost touch many years ago unfortunately as our lives took different paths, but I will always remember her with love and prayers. She will always be young and silly and a kid to me I guess. Until we meet again xo

“ Kristin was my neighbor in Providence. I would wait all week for her to visit her grandmother, Thelma. I knew her from the age of three. I'll always remember her smile and laugh. I tried so hard over the years to meet once again. We will one day, and it will be worth it. May you be at peace and rest with your father. Always in my heart.

“ Dear Elsie -- I am so shocked and saddened at the death of Kristen. I remember Kristen coming to your salon when doing my mom's (late Doris Hanson) hair. Always a smile on her face - Heaven has a new angel who is now with her dad. Please accept my heartfelt condolences -- Love
