“ It has been two months since you went to "Our Lord". I am grateful to not see you suffer any more, but I do miss your Beautiful Smile and when you would say "I Love You Too".

“ *In the 8 months I worked at Longmeadow, I truly enjoyed my time with Ms. Luella. While I was not a CNA or a nurse, I enjoyed talking to her, holding her hand, and sitting with her when she had a bad dream. I continued my visits to the center even after my position went a way so I could still see her and other residents. She is a truly amazing person and I will miss her! - Tracy Flax*
