“ *When Melody was a freshman at Austin College she introduced herself to me (a junior). She had heard that I had done well in my first two years at college and she asked me for any advice I could give her to help her succeed. I remember she was a beautiful, smart, and sweet young woman who was exceptionally organized and hard working. She took her college classes very seriously and was so organized. She seemed to be an exceptional bright light in a school filled with good students. I was very sad to hear of her passing even though I had not seen her in 33 years. I remember the day we met as if it were yesterday. I hope it gives her family comfort to know that she was well liked and admired by many, including me.*

“ *Melody IS and will always BE a Gracious, Loving, Child of God. Melody Blessed me in so many ways for She was always ready to RESCUE those in Need. I will miss Melody but I have 34 years of Great Memories dating back to 1982-1983 when She opened Her Heart and bedroom to my daughter Staci who was 14 years old. Melody agreed to replace Her waterbed and get bunk beds and so they "Bunked Out". Staci told me that she and Melody would talk late into the night and Helped Staci over the Divorce of her mother and I for Melody had worked through the Divorce of Her Parents. Such IS Melody, Always looking to share the Love of Christ Jesus to those in Need. Hallelujah*
