“ I met Mike when we both worked in Florida and then became reacquainted when I was relocated to Texas a few years ago. Mike was smart, helpful, funny, direct, just a very special person. He will be missed by his 7-Eleven family very much. Keeping his family in my thoughts and prayers.

“ St. Timothy's Class of 1971 sends their condolences. Football player, tough guy, probably the first to utter a four letter word (never let it be said the nuns intimidated you). Wish we could have connected when we had our reunion last year.

*Like all good Catholic school kids, there will be more than a few glasses raised in your name.*

*"May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand."*

“ Mike was thoughtful, funny, and just an all around good person. I'm grateful that I had the pleasure of knowing him and getting to work with him for the past few years. His love for his family was very evident, and he always had the biggest smile when he shared vacation trips or everyday stories. Keeping you and all his loved ones in my prayers. A wonderful man who will be truly missed....
