“ Dear Aunt Perma,
How much fun we had when YOU, Uncle Kenneth, James, and Stella came to visit us in San Diego.
We cooked up a storm and ordered in a ton of food eating out on the patio till dark, then lighting candles and talking into the wee hours. Sweetly capped off with Pepsi floats at midnight. So Good!

The day following, mother drove us all to Old Town and Uncle Kenneth told mother she was running ALL the red lights! We asked him if he was color blind and to our surprize he answered, "YES!" What a ride!
Special times too, when cousins Donnie would come to visit in his NAVY WHITES and Kayleen came in her "Classic"white Ford Mustang. Talk about wheels!
Always followed by calls from Aunt Perma, to see if the two were safe and well.

Our trip to Norman Ok to visit and Aunt Perma and Uncle Kenneth drove, at record speed, my profusely bleeding brother to the hospital, saving his life!
And to this day I can ride a bicycle,because Uncle Kenneth taught me how on that long, dusty road....
Celebrated with a tall glass of Aunt Perma's icy-cold sweet tea.
Good, good memories,
Thank you, Aunt Perma!

“ Dear Aunt Perma,

I will truly miss your smile at the family reunions. I have many memories of coming to visit you and Uncle Kenneth in Norman when I was stationed at Ft Sill Oklahoma in 1963. Cousins Ricky and Barbara reminded me of those times we had driving around in my 1962 Corvette. Also many many memories of my cousin James when he and Stella came to visit in San Diego. God bless you and thank you for blessings you gave to me.
