“ I am very saddened to learn of Prim's passing. I met her at the dog park in Lewisville and always looked forward to her kindness and sharp wit, not to mention her sweet little dog Buster. I also have a dog named Buster and it was always fun to compare "Buster" stories. We called them Buster #1 and Buster #2. I will miss Prim and think of her fondly, until we meet again.

“ I just heard of Prim's passing today. I'm very sorry & sad to hear of this. I worked for her on a merchandising job many years ago and have been friends with her every since. Thankfully for Facebook we got to stay in contact. I will miss my ole OU (Oklahoma Sooners) buddy. Rest in peace, my friend ! Jenny Deane

“ Prim, you are one of a kind and I miss you everyday. Johnnie...I pray for your comfort everyday too. I know that being in the next dimension with your Savior means you are well and happy and I cling to that. We will always love you...always miss you.
