“ When I first got into Danes Shep and Nancy were very kind to us. They helped with our kids when we were at shows and we supported Michael in all his Junior Showmanship classes. What a great guy. My condolences to Nancy and Michael on his loss.

“ *One of the kindest, sweetest, most patient men I have ever known. My sincere sympathies sent to his family and friends. I feel so horrible: I have a piece of paper on my desk with Bob and Nancy's address on it - I have been meaning to send them a note for several weeks, telling them how much they both meant to me - what a great influence they had on my life, and now it's too late to thank Bob. I should NOT have waited. Wish you could hear me now Bob. Thanks for your guidance and friendship so many years ago. Never forgotten.*

*I knew Shep from Jr. High School until he died. We went sports-car racing from 1962 until 1970. He was a man's-man but gentle to the core. He gave when he didn't have it to give. I knew his family, Nancy, Dolly, Danita, Bobbie and Mike. God bless you all and hold you in the palm of his hand to aid you in your grief.*
