Ruth was so gracious, kind and willing to give of herself for those in need. I was priviledge to know her over 45years and we helped each other through many of life's struggles. I am blessed because of knowing her. There is an empty spot in my heart from her passing. I will miss the laughter, sharing and deep affection we had for each other. however, I know she is at peace and with her family in haven. So it is and so be it. with love I sign this note.
