“ *Love and prayers to Bill and Bill Jr. and all of your family. We didn't just move into a nice neighborhood when we built our house down the street from you, we moved into a wonderful friendship. The 4 of us had such a great time together, usually at 'Margaritaville'! Not only were we friends, but we were also family in so many ways. We even spent birthdays and holidays together! Unfortunately, Shirley, we also had cancer in common. You fought the fight, and you always had a smile on your face. I don't know how you did it. You were a true inspiration to me while I was fighting my battle. You showed me how to wear my bald head with grace and pride! May God bless you, Shirley, and comfort your family. You will definitely be missed by all who love you. Fred and Margaret Morris*

“ The very first day we moved into Lakeside Village I had a need to stop in the office to get some paperwork done. Shirley was sitting in there speaking to our office manager. So I walked in and introduced myself and we three began to speak. Shirley went out of her way to welcome me to Lakeside Village. Then she said to me, "You know you would be a good addition to our architectural committee and Board of Directors." Boy was she ever prophetic! I'm in my fifth year on both. Shirley also ran our architectural committee in the past. They live in a beautiful home and love our Village. Whenever we had the occasion to run into one another we always picked up where we left off. The last time we met I told Shirley I would add her to my Prayer List that I've run for 30-years. Shirley was appreciative. Bill and family our hearts are with yours during this time of grief. Shirley was one of a kind and was very kind to me. God Bless. Frank and Kathy Niezgoda.

“ Love and prayers to Uncle Bill, Bill Jr. and the rest of the family. Aunt Shirley was a blessing to us all -- she always had a wise remark to make us laugh, and those Barnes family Christmas Eve parties at their house in St. Louis in the 70s were the best!! :). She will be missed.
