“ Virginia was a very caring person. She has been my mother in law for 25 years and in all that time she never treated me or my Girls any different than any of her other family members. Over the years she taught us so much. we love her and miss her very much. Here is how wonderful she was. When I met my husband 25yrs ago I had nothing for my girls at Christmas you see I was a single mom who had lost my job. I met Wayne, Dec. 14th and that year I was not going to be able to have Christmas. Virginia and Wayne took the time to make and give presents to my girls. She was a most awesome Lady
